

Good morning!

Check out the latest news from the EGI Federation.

---

### Spotlight

#### A message to the EGI Community and its scientists

Read the appeal from EGI to scientists – from Russia and any other country – to stand up for peace in Ukraine and support the use of democratic means to preserve it.

---

### Supporting Science

[EOSC Platform Early Adopter](#)

[EGI-ACE call for Use Cases](#)

## Programme

The programme offers resources and expertise to research communities and service providers to support use cases in need of EOSC resources and the integration of new services into the EOSC-Core.
