

Good morning!

Check out the latest news from the EGI Federation.

Spotlight

News from EGI2022!

We're very busy working on the programme for EGI2022. Thanks for all your contributions! We're looking forward to your Lightning Talks, Demonstrations and Posters. Registrations will open shortly. Make sure to register timely as places will be limited. If you want to be the first to know, [pre-register](#) via the conference website!

EGI Federation Annual Report 2021

Our annual report provides an extensive overview of the results that have been achieved through our collaborative efforts in 2021. Discover the highlights of 2021, our projects and activities; our strategic goals, the EGI team, and, of course, our plans for the future.

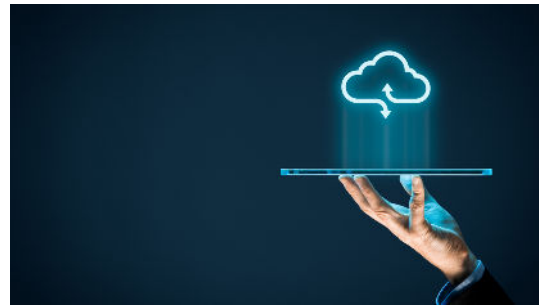

Supporting Science

EGI and OPERAS join forces

On 24th May 2022, EGI and OPERAS have signed a long-term collaboration Memorandum of Understanding (MoU). In the last few years, OPERAS and EGI collaborated already on several projects. Based on this common experience, the MoU displays the direction of a long-term collaboration.
