EGI-ACE Impact Report

Enjoy this detailed overview of the achievements and impact of EGI-ACE on Open Science, Research, Collaboration, Innovation and Skills over 30 months of project duration.

EGI Service Catalogue

Explore the potential of our extensive computing and data analysis solutions through real-life cases that demonstrate how EGI services have contributed to problem-solving.

Opportunities

We're hiring!

Apply until 04 August for the job positions to join the EGI team: we are looking for a SysAdmin, a Senior Project Manager, an IAM Community Support Specialist, a Cloud Community Support Specialist, and a Senior Accountant Specialist. The position of Project Finance Manager is open until 31 August.
Come work with us, and make a difference!

Supporting Science

EGI to support GoTRIPLE community

EGI and the GoTriple community have signed a Memorandum of Understanding to improve collaboration and advance Social Sciences and Humanities research. This marks the start of a promising partnership to sustain the multilingual

discovery platform, GoTriple, developed during the project TRIPLE.

ELKH Cloud joins the EGI Federated Cloud

We welcome ELKH Cloud, a joint effort of Hungarian scientific communities, to the EGI Federated Cloud. ELKH Cloud joins the over 20 providers serving research needs and supporting research communities.

Events

EOSC Symposium

20-22/09/2023 in Madrid

The EOSC Symposium takes place in Madrid this year. You will find EGI representatives in many sessions and at booth #5.
