

Welcoming the future: happy New Year!

Dear EGI Community,

Looking back at 2023, we take delight in the collective milestones we have achieved. Your dedication, whether in research or collaborative projects, has been instrumental in our progress.

As we step into 2024, let's embrace the spirit of unity and innovation. May the upcoming year bring new opportunities, meaningful connections, and shared achievements.

Wishing you a festive holiday season and a New Year brimming with prosperity and ongoing success.

2003-2023

**20 years
with EGI**

2003-2023: 20 years with EGI

In 2023 we celebrated 20 years of excellence in scientific computing with EGI! Explore articles and interviews reflecting on our journey, contributions to EOSC, and future developments.

Interviews

- Sergio Andreozzi, Head of EGI Strategy, Innovation and Communications Department - [Read the interview](#)
- Maarten Litmaath, WLCG Operations Coordination co-chair - [Read the interview](#)
- Fabrizio Gagliardi, former coordinator of the DataGrid project - [Read the interview](#)
- Isabel Campos Plasencia, EGI Executive Board, researcher at the CSIC's Instituto de Física de Cantabria (IFCA) - [Read the interview](#)

Get ready for 2024

Next webinar on 24 January!

We introduce topics of working with containerised workload, covering building container images, usage of Harbor as image storage and running containers in container platforms with basic networking and data persistence.
