Save the Date for EGI2025!

We are excited to announce that the next annual EGI conference will take place from 2-6 June 2025 at the stunning Palacio de Magdalena in Santander, Spain. Organised in collaboration with CSIC, this event will once again bring together the EGI community to advance data-intensive research and innovation.

Mark your calendars, we can't wait to meet you there!

EUDAT Conference 2024

3-5 December 2024, Karlsruhe (Germany)

A forum for the latest developments in research data management and enabling tools and solutions.

ICRI 2024

3-5 December 2024, Brisbane (Australia)

International Conference on Research Infrastructures

ECHOES Policy Event & Communities Onboarding Workshop

12-13 December 2024, Brussels (Belgium)

Day 1 - Toward the Cultural Heritage Cloud. Day 2 - Onboarding communities into the Cultural Heritage Cloud

HiPEAC 2025

20-22 January 2025, Barcelona (Spain)

High Performance, Edge and Cloud Computing.

ANERIS Workshops on Underwater Imaging, Bio-optic, and Participatory Technologies

2 and 4 December 2024, Online

The workshops are open to the public, secure your spot now!

EOSC Winter School 2025

20-23 January 2024, Seville (Spain)

The EOSC Winter School is an initiative by EOSC-A, with the support of the EOSC Focus project.

Success stories

I-ENERGY: Artificial Intelligence for Next Generation Energy

I-ENERGY is an EU-funded project developing Artificial Intelligence for Next Generation energy, reinforcing the services layer of the AI-on-Demand (AIoD) platform.

Earth Observation data processing with commercial and institutional clouds

The multi-cloud EO data processing platform has been demonstrated with the EGI Federated Cloud, the Innovation Platform Testbed (IPT) Poland, and AWS Cloud.
