

EGI Magazine #3, with contributions from EGI2025 and a focus on WeNMR

Discover the latest innovations in research infrastructure in the new issue of EGI Inspired. Featuring extended abstracts from the EGI2025 Conference, this edition highlights key advancements—from next-generation authentication and AI accessibility to the major upgrade of the EGI helpdesk. We also feature the long-standing WeNMR collaboration, a shining example of global scientific partnership. Explore the full spectrum of work shaping the future of open science.

Community Events

Open Science FAIR 2025

15-17 September 2025, CERN (Switzerland)

Fusing Forces – Accelerating Open Science through Collaboration

Blue-Cloud Hackaton 2025

29 Sep - 2 Oct 2025, Online

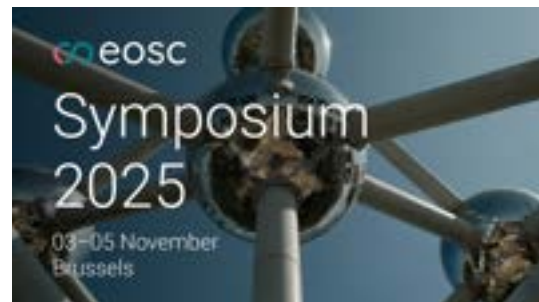

Gain hands-on experience with Blue-Cloud services to build applications and test the platform's capabilities.

Reimagining Culture in 3D & XR

26 September 2025, Brussels (Belgium)

A Hybrid Capacity Building Event in Brussels by Eureka3D-XR

EOSC Symposium 2025

3-5 November 2025, Brussels (Belgium)

Marking the transition of the EOSC Federation into its operational phase.

CRAFT-OA Final Event

6-8 October 2025, Göttingen (Germany)

How data and publishing flourish together.

EBDVF 2025

12-14 Nov 2025, Copenhagen (Denmark)

Empowering Europe's Future with AI and Data
