

A dark blue graphic for the EGI2026 Call for Partners. On the left, it features the EGI logo, the hashtag #EGI2026, and the text 'CALL FOR PARTNERS' in large white letters. Below this, it states 'CALL OPENS FEBRUARY 18' and 'CALL CLOSES JUNE 1 OR WHEN CAPACITY IS REACHED'. At the bottom left, it provides a calendar snippet for September 20-26 and the website 'www.egi.eu'. On the right, there is a photograph of a Gothic cathedral with people on bicycles in the foreground. Overlaid on the bottom right of the photo is the text 'EGI 2026 EGI 2026 EGI 2026' in white and orange.

## EGI2026 Partners - First Come, First Served!

Every year, the EGI conference brings together scientists, service providers, technical experts, policy makers, and early-career researchers to discuss their work, join workshops, participate in project meetings, and network with the community.

Contact us as soon as possible to secure a spot at the exhibition and showcase your offer to about 300 participants in Ghent!

Get in touch

The poster features the EGI logo at the top left, followed by the hashtag #EGI2026 and the main title 'CALL FOR CONTRIBUTIONS' in large, bold, white letters. Below the title, it states 'CALL OPENS FEBRUARY 24' and 'CALL CLOSES APRIL 13'. A link 'Access the Call go.egi.eu/EGI2026' is provided. At the bottom left, a calendar snippet shows dates from 20 to 26 of September, with the website 'www.egi.eu' and the hashtag '#EGI2026 @ Ghent, Belgium'. The right side of the poster shows a photograph of a historic European street at dusk, with a large Gothic cathedral in the background. The text 'EGI 2026' is overlaid on the bottom right of the image.

## Call for Contributions - Submit your Abstract!

By submitting your proposal for a talk, poster, or demonstration – you get the chance to be part of the programme!

### EGI Webinar

From Build to Reuse: Managing Research  
Artefacts with the EGI Artefact Registry

29 April 2026 - 14:00 CEST

Register Now

### EGI Access Call

With this Access Call, we support data-intensive science with services and related user support and training to individual researchers, research projects, research infrastructures, and commercial research entities.

Apply Now

# Project Highlights

## Join the SCIANCE AI in Science Working Groups

The AI in Science Working Groups (AISWGs) organised by SCIANCE are open for participation. Submit your application by 10 Apr 2026

## Community Events

## EGU General Assembly 2026

3-8 May 2026 - Vienna

Geoscientists from all over the world will discuss all disciplines of the Earth, planetary, and space sciences.

## EOOSC EU Node AMA for Researchers

21 May 2026 - Online

The latest developments and benefits

## SC4RC 2026

4-8 May 2026 - Geneva

Sustainability Conference for Responsible Research Computing

## EUreka3D-XR Final Event

26 May 2026 - Limassol

Digital Cultural Heritage in the Era of AI and Extended Reality
