Opportunities

EGI2026 Workshop registration

Trainings and workshops will be organised as part of the EGI2026 programme. They are accessible when you have a conference ticket or invitation valid for the day of the workshop/training.

If you plan to attend one or more workshops or trainings, you can indicate your interest in the link below so the organisers know to expect you and can inform you about any updates.

Register now

Webinar: Quantum Computing 101 - Shaping the Future of the EGI Ecosystem

Serving as the EGI community's official gateway into the quantum era, this session will break down the fundamental physics behind the technology, map out the current quantum landscape, and open a vital dialogue on how the EGI Federation should engage with these emerging systems.
