Opportunities

EGI2026 Workshop registration

Trainings and workshops will be organised as part of the EGI2026 programme. They are accessible when you have a conference ticket or invitation valid for the day of the workshop/training.

If you plan to attend one or more workshops or trainings, you can indicate your interest in the link below so the organisers know to expect you and can inform you about any updates.

Register now

EGI Access Call

With this Access Call, we support data-intensive science with services and related user support and training to individual researchers, research projects, research infrastructures, and commercial research entities.

Apply now

Project Highlights

Final reminder for EOSC Beyond concept paper survey

The survey remains open until **31 August 2026**. We strongly encourage researchers, service providers, and federation stakeholders to participate and help drive the technical future of our work.

Community Events

IBERGRID 2026

27-29 October 2026 - Santiago de Compostela, Spain

The 14th Iberian Grid Conference will take place in Santiago de Compostela, Spain, from Tuesday 27th to Thursday 29th of October.

EOSC Symposium 2026

14–16 October 2026 - Florence, Italy

The EOSC Symposium 2026 will gather stakeholders to showcase the latest EOSC Federation developments. An open call for contributions to shape the official programme is active until June 1.

EUDAT Conference 2026

25-27 November - Prague, Czechia

EMSO ERIC 10th Anniversary

15-16 December - Rome, Italy

The EUDAT Conference is the flagship biennial event organised by the EUDAT Collaborative Data Infrastructure (CDI).

The year 2026 marks the 10th Anniversary of EMSO becoming a European Research Infrastructure Consortium (ERIC).
